LABEL RESOURCES

YOUR LABELING BUSINESS PARTNER

CAPABILITIES

► FLEXO PRINT

- Up to 20" Widths
- Up to 10 Colors
- High-Definition Plates
- Vast Portfolio of Dies
- Variable Imaging Available

► CUSTOM THERMAL SOLUTIONS

- TT Materials
- DT Materials
- Wax Ribbons
- Wax Resin Ribbons
- Resin Ribbons

► STOCK PRODUCTS

- Thermal Transfer Labels
- Thermal Transfer Ribbons
- Direct Thermal Labels
- Laser Sheet Labels
- Integrated Labels
- DOT, Pictorial & Warning
- TSC/Printronix Auto ID OEM
- Inkjet Printer Roll Media

► DLSdigital™

- HP Indigo Digital Print Semi Rotary Dies or Laser Die Cutting
- UV Color Inkjet Analog Semi Rotary Dies or Laser Die Cutting
- Aqueous Color Inkjet Semi Rotary Dies or Laser Die Cutting

► DLSwarehouse™

- Rack Label Production
- Label Installation
- CleanBeam/CleanBin
- Warehouse signs
- Label Armor

► SPECIALTY PRODUCTS

- TT Vinyl Label Tape
- Parking Machine Media
- Flexible Packaging
- RFID
- UL/cUL

“WE ONLY SUCCEED WHEN YOU DO”

Since 1985, Diversified Labeling Solutions has been a preferred B2B supplier of high-quality, custom-printed pressure sensitive labels.

Beginning with one press, one employee and 1500 square feet of space, DLS quickly grew to be a full-line label manufacturer. Although DLS's focus has changed from printed tape to the pressure sensitive label market, their goal of producing the finest products available while maintaining world class service has not. All products, from blank labels to full-color high-definition labels, are produced utilizing the latest in flexographic and digital printing technologies. Exemplar of their motto "We only succeed when you do," DLS's dedicated team is

passionate about labels and are willing to share their expertise with partnered distributors to help them grow their business.

Located in five states with over 195 employees and headquartered in Itasca, IL, DLS is well-situated to offer products to customers nationwide. Diversified Labeling Solutions remains committed to keep ahead of a constantly changing industry while meeting the demands of their always growing, loyal customer base.

DLS is a member of the TSC Printronix Auto ID family, a global provider of quality Auto-ID solutions for transportation and logistics, manufacturing and healthcare, industry and retail. TSC has over 25 years of experience dedicated to barcode and label printers, with more than 4 million installed in over 90 countries. That makes the company, headquartered in Taiwan, one of the top 5 manufacturers of thermal label printers in the world.

► WHY DO BUSINESS WITH US?

Large Range of Stock Products

Our products ship same day from our five locations.

Competitive Prices

Short to long-run blank and printed labels up to 10 colors.

Knowledgeable Staff

Our customer service and technical teams are ready with solutions and outstanding service.

Custom Quotes

Fast, 3-hour quote turn around.

Affordable Die Cutting Options

Large selection of dies as well as precision laser die cutting.

Customer Satisfaction

We've been in the industry for over 35 years. We will do everything to ensure the end-user is satisfied.

Trade Sales Only

We are your partner, not your competitor.

► WHAT WE HAVE TO OFFER

National Stock Delivery System

Shipment of stock labels from five locations.
Hundreds of stock items available to ship same day.

Inventory Management Programs

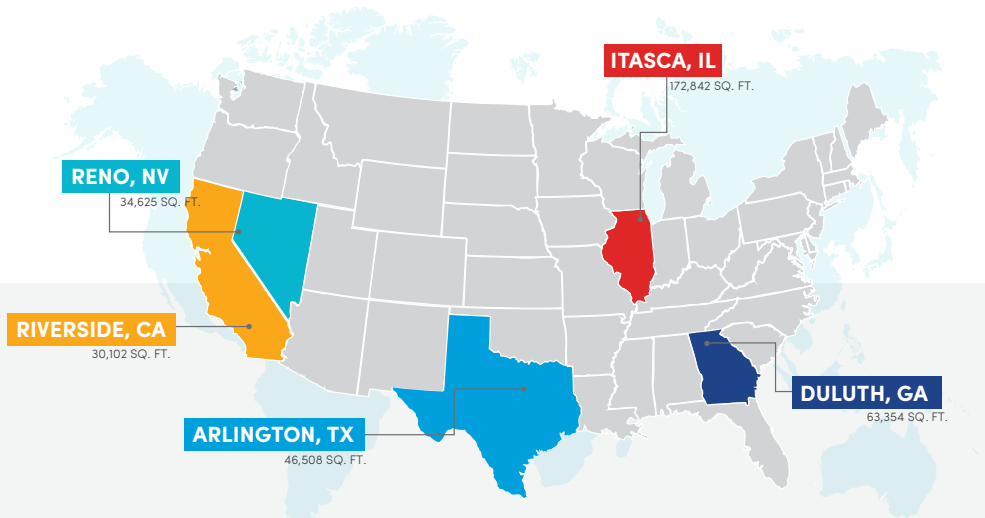

To ensure on-time delivery and best pricing.

Significant Capacity

Over 50 label presses and die cutters.
Production widths up to 24".

Full Service Printer

- We offer up to 10 colors, UV flexo, UV coating, and UL/cUL compliance labeling.
- In-house artwork and plate making.
- Variable imaging department in Itasca for barcoding and other data.
- International barcoding software to print up to 34 foreign languages.
- Aqueous & UV digital printing for short to medium runs.
- HP Indigo digital print technology

► TERMS & POLICIES

Quotations

All quotes are valid for 30 days or until a material pricing adjustment has been made by our suppliers.

Sample Rolls

- Samples for stock items are available at no charge.
- Contact the Estimating Department for samples.
- Stock item samples will ship via standard ground transportation.
- Any samples requiring expedited shipping will be billed to the distributor's account number.

Placing Orders

- Orders should be emailed to orders@teamdls.com to minimize errors.
- All order changes, including shipping instructions, must be confirmed in writing.
- Custom orders are subject to a + or – 10% quantity variance unless specified by customer. Please include quote # when submitting custom orders.
- Stock orders received by 2 p.m. (ET for GA, CT for IL & TX, PT for NV & CA) will ship the same day.
- Orders received after 2 p.m. ET, CT, PT will ship the next business day from their respective plants (GA/IL/TX/NV/CA).
- Submission of order implies that product has been tested and accepted in actual end-user environment.

Canceling Orders

- All cancellations must be received in writing.
- Expenses incurred up to that time will be invoiced to the distributor.

Shipping

All products will ship via our carrier(s), FOB shipping point, unless otherwise noted and confirmed on your purchase order.

Terms

Net 30 days from invoice date.

Return Authorization

- **NO RETURNS** on custom products unless there is a quality issue identified by our Quality Control Dept. & a Return Materials Authorization (RMA) # is issued.
- RMA numbers are only good for 30 days.
- **NO RETURNS** on custom products will be accepted after 90 days unless approved by management.
- DLS reserves the right to refuse, or issue credit on, returned damaged goods due to improper packaging by the end user.
- A restocking fee (15% or \$30, whichever is greater) may apply.

INFORMATION RICH LABELS

RFID LABELS

► WHAT ARE RFID LABELS?

A typical RFID label contains a UHF RFID transponder (or inlay) embedded between the facestock and release liner. This inlay uses a tiny microchip with an antenna to store information and transmit it to specially designed RFID readers.

Much like barcodes, RFID is used to track and capture information about products, assets and inventory and is used in applications such as tracking goods through the supply chain and managing inventory in retail stores.

► FAST & ACCURATE DATA MANAGEMENT

Radio Frequency Identification (RFID) labels are an excellent solution for companies looking to increase speed and accuracy of data collection. Customers in a wide range of industries including supply chain and distribution, retail, consumer goods and healthcare look to RAIN RFID technology. And as experts in both RFID and label production, DLS can help you reach these customers.

► MEET YOUR CUSTOMER'S RFID NEEDS

With access to a huge array of inlays and face sheet materials, we can support almost any custom RFID label construction. If you need a particular chip

and/or inlay, or would like to know if our labels are compatible with your existing specifications, please contact us, and we can advise.

► EXPERTS IN LABELS AND RFID

We are experts in the production of thermal and pressure sensitive labels. And, as a wholly-owned subsidiary and official OEM supplier of TSC Auto ID Technology Co., Ltd., we work closely with experts in RFID printers and encoders. This combined expertise allows us to provide a wide variety of stock or custom printed RFID labels guaranteed for optimal performance.

► BENEFITS OF RFID

RFID labels can be attached to individual products, boxes or pallets for use in data collection and tracking. They provide a number of benefits to traditional barcodes including:

- Doesn't require direct line of site.
- Faster read rates, from farther distances.
- Able to simultaneously read multiple RFID labels.
- Information can be updated on demand.
- Item-level serialization.

► TT & DT GUIDELINES

Label info

- All labels are coated with a general-purpose permanent adhesive. They have 1/8" spacing and 1/8" radius corners unless otherwise noted.

Shipping

- Product is FOB DLS for all items. Items with "IL" are available in Chicago, "GA" in Atlanta, "NV" in Reno, "TX" in Dallas and "CA" for Riverside, California. Orders received by 2 p.m. (ET for GA shipments, CT for IL and TX shipments, PT for NV & CA shipments) will ship the same day. Orders received after 2 p.m. ET, CT, PT will ship the next business day from their respective plants.
- A minimum of two cases must be purchased to avoid a small order fee of \$20.00. Individual cases must be ordered in full case increments to avoid a case breaking fee of \$15.00.

- Customized labeling of stock products will be charged at the rate of \$.35/box with a minimum charge of \$5.00.
- Full cases of blank stock items can be combined to reach 2 or 12 case price breaks. Cases must ship to the same address.

Returns

- Returns must have a Return Materials Authorization (RMA) # issued prior to shipping. Restock fee=15% or \$30, whichever is greater.

Copacking

- We will co-pack 1 ribbon per box of labels. The ribbon is coated side out or in. Please add a ribbon line to your purchase order and ask for co-pack. Use the ribbon prices to figure out your price for that line item.

HIGH QUALITY DIGITAL LABELS

DIGITAL LABELS

► WHY CHOOSE DIGITAL?

EXCEPTIONAL PRINT QUALITY: DLSdigital utilizes a fleet of digital presses including HP Indigo 6900, Colordyne aqueous inkjet and INX UV inkjet to provide digitally printed labels. We can print short and medium press runs with up to 7 color process printing as well as Pantone® matching options. You can offer your customers high resolution printing with up to 7-colors as well as PMS matching and Pantone capabilities.

UNIQUE LABEL REQUIREMENTS: We can provide high-quality, digitally printed labels in thicknesses from 0.5 to 18 pt., up to 13.39" wide, in virtually any length and ANY shape. And DLSdigital offers a wide variety of face stocks, adhesives, laminates and varnishes to suit all your customer's needs.

FAST, AFFORDABLE LABELS: Digital printing doesn't require production of plates. This means we can offer high-quality labels with impressively quick turn-arounds and low pricing.

PERFECT FOR SHORT AND MEDIUM PRINT RUNS: DLSdigital allows you to provide your customers the quantity of labels they need, when they need them. Whether your customers need labels for a limited promotion or need to continually change their labels to keep up with changing regulations, DLSdigital's got you covered with quantities as low as 100 labels.

► DIE CUT OPTIONS

Have a unique label that in the past was too costly to produce? In-line precision laser die cutting allows DLS to produce labels of any shape, no matter how complicated, at the speed of light. This includes perforations. In addition to our laser die cutting capabilities, DLS is equipped with flexible semi-rotary magnetic dies and a vast collection of traditional dies. No matter what shape label your customer needs, DLS can help you provide an affordable die cutting option.

THE SOLUTION TO RACK LABELING CHALLENGES

CLEANBEAM™

► REFRESH & PROTECT YOUR RACKING

Whether your customer's beams have seen a lot of use or are brand new, CleanBeam™ will keep them looking fresh for years to come. CleanBeam™ is applied right over any existing labels and damaged beams to cover them completely and protect against future wear. DLS will match CleanBeam™ to integrate seamlessly with your customer's racking so they can reap **long-term rewards** from this one-time investment.

► EFFORTLESS, MESS-FREE LABEL REMOVAL

Once CleanBeam™ is permanently installed on your racking, simply apply your location labels on top of it. Now, when you need to move stock or update a product, you can easily remove the location labels quickly and completely, without leaving any residue. CleanBeam™ will let you say goodbye to expensive magnets and the hassle of scraping old labels—**saving you time & money!**

► CLEANBIN™ COMPLETE BIN PROTECTION

The same CleanBeam™ technology can be used for bins as well. Now you can match the color and size of your bins, and cover up old labels. Apply CleanBin™ to new bins to keep them looking new. Simply apply your barcode location labels on top of CleanBin™ for easier scanability. No more stacking labels or trying to remove old labels—making it easier to find and pick parts.

► PREMIUM WAX RIBBON SPECS

PERFORMANCE CHARACTERISTICS

- High density formulation necessary to provide consistent scan rates
- Widest print latitude to the most receiving materials
- Excellent edge definition and print quality at high dpi and print speeds – up to 12 IPS
- Low printhead energy requirements for image transfer
- Superior abrasion resistance compared to conventional wax products
- Anti-static formulation and backcoating to prolong printhead life

RECOMMENDED APPLICATIONS

- High speed print and apply labeling systems
- Shipping, carton and address labeling
- Small character and graphics printing with 300/400 dpi
- All product ID label and tag printing, retail, industrial and apparel
- All general purpose labeling

RECOMMENDED MEDIA SUBSTRATES

- Coated & uncoated papers
- Tag stocks
- Synthetic papers
- Other pressure sensitive materials

FORMULATION TECHNICAL INFORMATION

Base Film Thickness: 4.5 +/- .3 micron

Ribbon Thickness: 7.7 +/- .3 micron

Ink Color: Black

Printing Density: > 1.90 Macbeth Densitometer

Transmission Density: >1.20 Macbeth Densitometer

Ink Melting Point: 74°C

Sensitivity: 11mj/mm²

Recommended Maximum Print Speed:
12 Inches (305mm) per second

► RIBBON GUIDELINE

Ribbon Info

- Stocked ribbon orders received by 2 p.m. local time, ship the same day. Stocked ribbon orders received after 2 p.m. local time, will ship the next day from their respective plants. Drop ship orders ship within 3 business days
- Stock Ribbons ship from DLS warehouses. All other ribbons will be drop shipped and must be ordered as a full case. Non-stock items may also be subject to a minimum order (generally 2 cases) from our supplier(s).

Shipping

- The order minimum for all ribbons is \$100, shipping to one address
- Minimums, Combos, Broken Cases: The order minimum for all ribbons is \$100 (shipping to one

address) or a \$20 small order fee will apply. Stock labels (full cases only) and stocked ribbons can be combined to reach the \$100 minimum. The order minimum for non-stocked ribbons is \$100, or one full case, regardless of the rest of the order. Stocked ribbons can be ordered in increments of 6 rolls provided the total order is \$100.

Returns

- Returns must have a Return Materials Authorization (RMA) # issued prior to shipping. Restock fee= 15% or \$30, whichever is greater.

Contact

- To get additional pricing, printer specific length options, and to satisfy any custom requirements: Contact Terry Smith 770.557.5618 tsmith@teamdls.com

YOUR COMPLETE WAREHOUSE LABELING SOLUTION

WAREHOUSE

▶ PROGRAM OVERVIEW

With all the challenges you may encounter supporting your client's WMS system, why go it alone when you can have the backing of one of the top experts in the industry?

Now you can offer a [value-added service](#) that will make you stand out from the competition. Start creating more revenue by offering your customers warehouse label installation solutions.

DLS combines a thorough understanding of warehouse operations, barcode scanning and label production to help you install an individualized barcode warehouse label solution for your clients. We help you work through the details of your client's warehouse labeling needs, [so you have more time and energy](#) to focus on what you do best; sell.

At DLS, we realize that every installation is a custom project. Variables include the facility, available staff, Go Live date, budget, and more.

▶ INITIAL CONSULTATION

No two warehouses are ever the same and that's why DLS begins with an analysis of your client's facility needs and requirements so that we can produce the labels in a way that makes the installation process efficient. All of our signs & labels are specifically designed for each unique application. We don't try to fit warehouses into one predetermined signage solution. We design customized warehouse signs for your client's needs. Don't let something as simple as poor signage stand in the way of achieving excellence for your client's warehouse.

▶ CUSTOM SIGNS & PLACARDS

Our custom warehouse signage solutions provide a consistent look to streamline aisle identification and ensure efficient location of products. With custom warehouse signs, you'll minimize the little mistakes & delays that add up to big frustrations. Try adding color elements or images to your signs to make locations and products easier to find.

▶ COMPLETE INSTALL & PROJECT MANAGEMENT

When you need the [expertise](#) of DLSwarehouse to efficiently complete a sign or label installation, our Site Management services provide you with a great option. DLSwarehouse supplies an on-site manager for the label installation to serve as your point person—managing the process from beginning to end.

Also, you will receive a complete set of services from our seasoned team of professional installers—including all the materials, labor and equipment necessary for your project. We make installing labels and signs in your customer's warehouse quick, easy, and accurate.

Datamax: I & W Class printers can use ribbons up to 1476 ft. in length, but must be coated side in. H-Class printers can use 1476 ft. ribbons too. They can be coated side in or side out. Some H Class printers can use 1968 ft. ribbons.

► RIBBON GUIDELINE

Ribbon Info

- Stocked ribbon orders received by 2 p.m. local time, ship the same day. Stocked ribbon orders received after 2 p.m. local time, will ship the next day from their respective plants. Drop ship orders ship within 3 business days

Shipping

- The order minimum for all ribbons is \$100, shipping to one address
- Minimums, Combos, Broken Cases: The order minimum for all ribbons is \$100 (shipping to one address) or a \$20 small order fee will apply. Stock labels (full cases only) and stocked ribbons can be combined to reach the \$100 minimum. The order

minimum for non-stocked ribbons is \$100, or one full case, regardless of the rest of the order. Stocked ribbons can be ordered in increments of 6 rolls provided the total order is \$100.

Returns

- Returns must have a Return Materials Authorizaton (RMA) # issued prior to shipping. Restock fee= 15% or \$30, whichever is greater.

Contact

- To get additional pricing, printer specific length options, and to satisfy any custom requirements: Contact Terry Smith 770.557.5618 tsmith@teamdls.com

► PREMIUM WAX RESIN RIBBON SPECS

PERFORMANCE CHARACTERISTICS

- Wide print latitude to broad range of receiving materials
- Strong scratch and smear abrasion resistance on papers, synthetics, and polyesters
- Excellent edge definition and print quality at high dpi and print speeds – up to 8 IPS
- Anti-static formulation and backcoating to prolong printhead life
- UL agency recognized

RECOMMENDED APPLICATIONS

- Applications requiring moderate to high scratch and smear resistance
- High speed print and apply labeling systems
- Shipping, carton and address labeling
- All product ID label and tag printing, retail, industrial and apparel
- Heat shrink wrap applications

RECOMMENDED MEDIA SUBSTRATES

- Coated & uncoated papers
- coated tag stocks
- gloss papers
- synthetic papers
- films (PVC, BOPP, PET),
- retro reflective
- other pressure sensitive materials.

► PREMIUM RESIN RIBBON SPECS

PERFORMANCE CHARACTERISTICS

- Wide print latitude to broad range of plastic films, synthetics, and polyesters
- Strong scratch and smear abrasion resistance
- Excellent edge definition and print quality at high dpi and print speeds - up to 8 IPS
- Anti-static formulation and backcoating to prolong printhead life

RECOMMENDED APPLICATIONS

- Applications requiring high scratch and smear resistance
- Medical and pharmaceutical applications
- Chemical drum applications
- Heat shrink wrap applications
- Automotive and electronics applications

RECOMMENDED MEDIA SUBSTRATES

- Synthetic papers
- films (PVC, PET)
- BOPP
- polyester
- retro reflective
- and other thermal receptive facestocks.

Printing Density: > 1.80 Macbeth Densitometer

Transmission Density: >1.00 Macbeth Densitometer

Ink Melting Point: 83°C

Sensitivity: 16mj/mm²

Recommended Maximum Print Speed:
8 Inches (203mm) per second

MAKING GHS SIMPLE

GHS LABELS

► WHAT IS GHS?

GHS, or the Globally Harmonized System of Classification and Labeling of Chemicals, is an international system to standardize the way hazardous materials are classified and labeled. This system includes criteria for classifying and rating the hazards of chemicals, as well as standard language and symbols to identify these hazards.

► WHY CARE ABOUT GHS?

If your customers are looking for GHS labels, they will look to you to be sure the labels meet specification and certification requirements. DLS knows all the details that go into GHS compliant labels, and will **work with you** to ensure your customer's labels meet these requirements.

► BS5609 CERTIFICATION

Customers shipping chemical containers over a body of water will need to meet BS5609 requirements. Labels that meet these standards are tested for performance related to harsh marine conditions. Specifically, DLS UV printed labels are certified for BS5609 Section 2 and 3 compliance. This means the media, text, coloring and images have passed the standardized testing for resistance to abrasion, UV exposure and sea water immersion as well as other qualifications.

Specs: Packed in trays of 100. Bulk is only available in White.

► STOCK GUIDELINES

White and Fluorescent:

- 100 packs are shrink-wrapped in white chipboard trays of 100, with 10 trays per case. 100 packs can be shipped in less than full cases and can be mixed and matched. A minimum order of 7 packs is required or a small order fee of \$20.00 applies.

Bulk Packs

- Bulk packs are shrink-wrapped in bundles of 250, with four bundles per case. Cases cannot be broken and have a minimum order of one case.

Shipping Info

- Customized labeling is charged at the rate of \$.35 a pack, bundle or case with a minimum charge of \$5.00. Laser labels will ship the next business day. All minimum orders must ship to one address.

Returns

- Returns must have a Return Materials Authorization (RMA) # issued prior to shipping. Restock fee= 15% or \$30, whichever is greater.

HOSPITAL-GRADE LABEL PRODUCTS

HEALTHCARE LABELS

► LABELS FOR MEDICAL APPLICATIONS

In healthcare, patient safety is the priority. It might surprise you to hear that labeling plays an important role in achieving this goal.

Labeling lets healthcare professionals in large organizations, such as hospitals, communicate effectively. Whether it's a doctor's office, lab, or emergency room, DLS creates custom healthcare labels for dozens of applications.

► LABEL PRODUCTS FOR HEALTHCARE

Healthcare labels communicate important information to both doctors and patients, so high-quality standards must be met. All our healthcare labels are specially designed and printed with application in mind. That means that our label application experts will help you choose materials, inks, and adhesives specifically for your needs.

THEY ARE PERFECT FOR:

- Blood Bag Labels
- Chart Labels
- General Purpose Labels
- Inventory Labels
- Lab Labels
- Medication Labels
- Patient Identification
- Pharmacy Labels
- Printed Tapes
- Syringe Flag Labels
- Tamper Proof Labels
- Visitor Badges

► INTEGRATED GUIDELINES

- All items have limited inventory and could be subject to 10-day production to fulfill back order or out of stock situations.
- All cases are bulked packed with 1500 sheets per carton.
- All orders must be full cartons only and are not available for pickup at DLS warehouse.

“
**THE WORLD'S TOUGHEST AND
MOST DURABLE SELF-ADHESIVE
FLOOR LABEL**

LABEL ARMOR

► FLOOR LABEL PROTECTORS

Floor labels have never held up well to the rigors of pedestrian and vehicle traffic. Today, there's a new, **impact-resistant solution**: Label Armor.

Label Armor is a self-adhesive label protector with optional colored frames. The clear window allows your customers to cover and protect labels on floors, doors, and walls. This unique product features a textured, anti-slip surface that provides extra safety and durability.

► A MULTI-SURFACE SOLUTION

Warehouses, retail spaces, or storage facilities can use Label Armor on:

- Interior & Exterior Doors
- Bulk Locations
- Staging Lanes/Areas
- Totes
- Walls
- Walkways
- Stairways
- Shipping Docks

► STOCK SIZES & CUSTOM

Label Armor is available in half letter and full letter sizes.

HALF LETTER SIZE:

Overall – 8.125" L x 11.625" W
Opening – 6" L x 8.5" W

LETTER SIZE:

Overall – 12.125" L x 15.625" W
Opening – 8.25" L x 11.75" W

Custom sizes and colors are available. For more information please contact us.

► SPECIALTY STOCK & COLORED DOTS GUIDELINES

Label Info

- All labels are wound out and have no perforation between labels.

Shipping

- We may bulk package orders (combine cases) to create less handling.
- If ordering more than \$1,000 in product for one shipment to one address, freight is FOB delivered. Orders received by 2 p.m. CT will ship the same day.
- Orders received by 2 p.m. will ship the same day. Orders received after 2 p.m. will ship the next business day. Dots are shipped from Texas only and specialty items are shipped from Illinois only.
- A minimum of \$35.00 must be purchased to avoid a small order fee of \$20.00.

- Customized labeling of stock products will be charged at the rate of \$.35/box with a minimum charge of \$5.00.

Returns

- Returns must have a Return Materials Authorization (RMA) # issued prior to shipping. Restock fee = 15% or \$30, whichever is greater.
- Seller disclaims any implied or expressed warranties, including warranty of fitness and merchantability.
- In no event shall seller be liable for any claim for incidental or consequential damages arising out of or in the connection with the sale or use of any products described in this catalog and supplied by the seller.

► ANATOMY OF A LABEL

► Important Label Considerations

Your label needs to not only look good, but stay where you want it and last as long as you need it to. These questions will help determine the best label material, type of adhesive and printing process so your label will perform.

What type of surface is the label going to be applied to?

What material is the surface made of? Is it paper, metal, glass or some other material? Is the surface coated? Smooth or textured? And is the surface flat or curved? The shape and composition of the application surface help determine the best adhesive and label material.

What type of conditions does the label need to perform in?

Will this label be exposed to extreme hot or cold? Moisture? Chemicals or cleaning agents? Sunlight or harsh weather? The environment that a label is applied in and used significantly affect its performance. It's important to choose the right material, adhesive and printing process to perform in these conditions.

EASILY TRACK PLANTS

HORTICULTURE LABELS

Genuine Supplies offers custom horticulture tags for customers including cannabis growers, greenhouses, nurseries and retail markets. Our horticulture tags are weather-resistant, durable and able to remain intact and readable in the most adverse conditions. We offer RFID and thermal transfer printable horticultural tags, as well as preprinted tags in 1 to full color.

► POT STAKES

Custom pot stakes are the ideal solution for easy identification of plants. These versatile tags can be used for plant identification and inventory management—with or without RFID capabilities. Stakes can be thermal printed using printers such as the TSC Printronix Auto ID T6000e and T4000 series. Pot stakes can also be custom printed to include full color graphics to provide product marketing and customer education.

► WRAP AROUND PLANT TAGS

Our custom wrap around tags are designed to easily attach directly to a stem or branch without the need for strings or ties. These tags are the perfect solution to identify plants, shrubs and trees.

► RFID SOLUTIONS

With our RFID plant stakes and wrap-tags, growers can easily track, count and manage inventory. RFID has wide-ranging benefits for the horticulture industry that range from tracking individual plants to real-time inventorying of thousands of plants to business intelligence capabilities that can integrate with systems for plant lifecycle management, plant, and package inventory, and more.

RFID Protocol:	UHF EPC Class 1 Generation 2
Tag Type:	Passive Read/Write
Read Range:	Up to 30 ft.
Frequency Range:	902 ~ 928 MHz
EPC Size:	128 Bits - others available upon requests

ON THE GO

MOBILE MEDIA

► MOBILE PRINT MEDIA

Mobile thermal printers enable users in a wide range of industries to print material on demand – where and when it is needed. We understand that mobile printing applications present some of the toughest and most varied printing environments. And we can supply the receipt papers, labels and printer supplies designed to meet the unique demands of your customer's mobile printing application.

We offer a comprehensive selection of stock or custom printed mobile print media and can provide the size or material your customer needs. We are the official OEM supplier of TSC Printronix Auto ID, and can work with you to provide supplies for most makes and models of mobile printers. Your customers can be assured that our OEM products will meet or exceed the specifications of the original equipment manufacturer.

► QUALITY CUSTOM MOBILE PRINT MEDIA

With our extensive custom printing capabilities, we can print your custom mobile printing materials with up to 10 colors. Media can be pre-printed to include identifying marks or wording such as your customer's full-color logo, watermarks, terms and conditions, coupons and promotions or security features.

► MARKETS FOR MOBILE PRINT SOLUTIONS

Wondering which of your customers could benefit from our mobile print supplies? Mobile printing is increasingly used in a wide variety of industries to increase efficiency and improve customer experiences. Some of the markets you may want to consider for mobile print solutions include:

- Warehouse & Distribution
- Healthcare
- Retail
- Restaurant & Hospitality
- Utilities
- Law Enforcement
- Parking Authorities
- Field Services & Repair Businesses

► **PRESSURE SENSITIVE** LABEL CONSTRUCTION

► **The Completed Pressure Sensitive Label**

- 01 Topcoat or Print Receptive Coating (Optional)
- 02 Face Stock
- 03 Primer or Barrier Coating (Optional)
- 04 Adhesive
- 05 Release Coating
- 06 Release Liner

INDUSTRIAL GRADE

VINYL LABEL TAPE

► THE PERFECT SOLUTION FOR DURABLE LABEL AND SIGN APPLICATIONS

Our 3 mil gloss, flexible vinyl face stock provides a cost-effective solution for label and sign applications requiring overall durability and resistance to sunlight and fading. Vinyl labels are an excellent choice for harsh environments where a high degree of scratch and smear resistance is required or where UV and chemical exposure is common.

Recommended for both indoor and outdoor use, thermal vinyl labels are ideal for regulatory labels such as pipe marking, hazard warnings, facility labels, GHS, arc flash, OSHA, warehouse and many others.

RECOMMENDED PRINTERS: TTP247, TTP286MT, and TX200

RECOMMENDED T.T. RIBBONS: TSC VRE Ultra Resin

MAIN BENEFITS OF VINYL LABEL TAPE:

- 1) UV rated, chemical resistant, and backed with a permanent adhesive.
- 2) Up to 5 years under normal exposure conditions
- 3) Choose from one of our 10 standard colors or ask about the more than 40 additional colors available as custom orders.

► STANDARD COLORS

- White with Blue Liner
- Black
- Purple
- Blue
- Green
- Yellow
- Brown
- Red
- Orange
- Clear
